C Am
You're God of this minute, You're God of this hour
F G
You're God of my life, You're the God of power
C Am
You're God of my future, You're God of my past
F G
You're God of my present, You're the first and the Last

(chorus)

C Am F G
Everywhere I am, You are
C Am F G
Everywhere I am, You are
C Am F G C Am F G
Everywhere I am, You are God

You're always before me, You're always behind
You're Love surrounds me, it's the everlasting kind
Whenever I stumble, and can't find my way
I'll close my human eyes, and I'll open eyes of faith
